Beer + Bites

Get your taste buds warmed up! [Eighty-Eight Brewing](#) is ready to host you and your team at WinSport for a unique beer tasting experience.

Renowned Calgary brewery, Eighty-Eight Brewing, will share insights into the art of brewing and the brewery's special connection to the 1988 Calgary Winter Olympics—a legacy shared with WinSport. As a close partner of WinSport with an incredible line-up of beers, your team is sure to be impressed by an afternoon with their expert brewer.

Learn about the process behind craft beers from Eighty-Eight while you enjoy a flight of tasters. A selection of four beer tasters from Eighty-Eight will be paired with custom bites prepared by the WinSport culinary team and designed to perfectly complement and enhance the beer flavors.

Athletic Excellence

Spend the day with local athlete [Ryan Straschnitzki](#) to learn the importance of teamwork, communication and growth. His experiences have pushed him outside his comfort zone, and his stories of conquering obstacles to reach excellence will leave your team feeling inspired.

Start the day off with an engaging keynote led by athletic mentor and influencer Ryan Straschnitzki, adaptive sport ambassador. After a Q&A with Ryan, your team will take a short break to debrief, connect and enjoy refreshments.

Next up your team will strap in for sledge hockey with Ryan, enjoying some and fun filled action on the ice rink. Finish off your experience with a custom meal catered by WinSport's culinary team.
