OUR VENUES

WinSport's world-class facility is home to one of the most dynamic event and meeting spaces in Calgary - right on one of the primary venues of the 1988 Winter Olympic Games. Our purposeful venues feature bright, open spaces with floor to ceiling windows, menus tailored for your occasion by our executive chef and state-of-the-art audio and visual. You can also diversify your event by taking your guests out of the room and onto the hill for skiing, snowboarding, bobsleigh rides, mini golf, Skyline Luge or ziplining from the highest vantage point in the city to see Calgary's stunning skyline.

WinSport is a not-for-profit community-based organization that owns and operates Canada Olympic Park. Our vision is to be a world-leading centre for athletic development. We inspire human potential through the spirit of sport by introducing people to winter and mountain sports, helping them develop their skills and thereby igniting a passion for sport and lifelong learning.

WinSport does not receive any direct government funding for our operations. We support our purpose by building on the legacy of the 1988 Calgary Winter Olympic Games and by delivering exceptional value and experiences to our guests.
