WinSport offering more thrills and chills for winter bobsleigh season

CALGARY, Alta. – WinSport is cranking up the G Forces this winter with even more opportunities to get an adrenaline rush down the bobsleigh track at Canada Olympic Park.

Public bobsleigh rides, which are now open for the season, provide the perfect opportunity to strike another item off the bucket list. Due to demand, WinSport has nearly tripled the amount of public rides available this winter season, with close to 1,100 runs scheduled in the coming months. This includes many increased time slots over the upcoming holiday period.

The ride provides an exhilarating 60 seconds of pure adrenaline and a lifetime of memories, as you travel at speeds of up to 120 km/h through 14 twists and turns down 1.4 kilometres of Olympic track. The four-man sled includes one of our professional brakemen/drivers, many of which have international competition experience and have combined for thousands of trips down the track.

Participants will receive a special gift and a certificate to commemorate their ride.

Public can book a ride online at winsport.ca, or contact WinSport Guest Services at 403-247-5452.
