### **WinSport opens spring season with adrenaline rush**

Calgary, Alta. – WinSport offers the perfect fix to keep any adrenaline junkie satisfied this spring and summer, with the season opening on Saturday of our Zipline at the Park and summer bobsleigh experiences.

WinSport's summer bobsleigh ride is Calgary's most exhilarating sport experience, allowing riders to roar down the Olympic track, twisting and turning around 14 turns and travelling at speeds up to 100km/h. Accompanied by a professional bobsleigh driver, this will be 70 seconds you talk about for the rest of your life!

The Zipline at the Park, which launches from the top of Canada Olympic Park's iconic ski jump tower, is North America's fastest zipline. Riders rocket down the unique cable system in a comfortable harness, reaching speeds between 120 and 140 km/h. As Calgary's highest vantage point, the ski jump tower provides a zipline that is 500 metres long with a vertical drop of more than 100 metres.

The two experiences are just \$65 (plus GST) each or can be combined to enjoy WinSport's Adrenaline Combo for just \$99 (plus GST). Reservations can be made online at [www.winsport.ca](http://www.winsport.ca) or by calling Guest Services at 403-247-5452.

The Adrenaline Combo is the newest Canadian Signature Experience through the Canadian Tourism Commission. The Signature Experience program is a collection of once-in-a-lifetime travel experiences that can only be found in Canada.

Mountain bike season at Canada Olympic Park is tentatively scheduled to open on June 20 (weather permitting), while the mini-golf course opens on June 1. For more information on any of WinSport's activities, go to [winsport.ca](http://winsport.ca).
