**WinSport set to open Acura Tube Park on Saturday**

CALGARY, Alta. – Following the successful debut of the Acura Tube Park last season, WinSport is excited to announce that opening day for the 2017-18 winter season will take place on Saturday.

The largest tube park in Western Canada will be even bigger than its inaugural season, with the introduction of 12 lanes – three more than last year – and a new village, which includes a food trailer, a massive deck with heaters and a fire pit, and washroom facilities.

These additions, along with a dedicated magic carpet and new four-person tube option, provide the perfect atmosphere for the entire family to enjoy Calgary winters and perhaps provide a gateway to other winter activities such as skiing and snowboarding.

The Acura Tube Park is located on the east side of WinSport's main hill and is expected to be operational until April 1 (weather permitting). Tickets are sold in two-hour increments and are available online at [winsport.ca](http://winsport.ca) or at Guest Services in the Frank King Day Lodge. A WinSport Annual Family Membership provides free access on Thursday and Friday evenings.

The Acura Tube Park will be open Thursday through Sunday this winter and every day over the holiday season (except for Christmas Day). WinSport also provides opportunities for team building activities in the tube park.
