Section of the Park scheduled to open this weekend

Calgary, AB – It's official. Canada Olympic Park (COP) has turned on the snow guns and is getting ready for the upcoming weekend. With the temperatures dipping below 0°, it creates a perfect environment for snow making.

As a sneak peek for the 09/10 season, COP will be opening a section of the Park this coming Thanksgiving weekend. On Sunday and Monday, guests will be able to get an early start on the winter season and ride the Silver carpet at the Park for half the regular price. Depending on the weather, the Gold carpet is scheduled to open on Monday. Since the rental shop is still changing over from summer to winter, guests are required to bring their own gear.
