Canada Olympic Park - Countdown to Meltdown

Calgary, AB – With less than a month to go before the Park closes for the winter season, Canada Olympic Park (COP) has started the Countdown to Meltdown. With warm weather around the corner, the ski season is drawing to a close. Over the next 22 days, COP will be making a final winter push, offering exciting events and special deals.

Every Monday until the end of the season, WinSport Canada will be issuing media advisories that feature the week's special events, websaver deals and COP discounts. The countdown was created to encourage skiers and snowboarders alike to get out and take advantage of the last month to hit the slopes within the city.
