Emergency Procedures Cont'd

FIRE

The Markin MacPhail Centre is equipped with several fire detection and fire suppression systems. If a fire is observed, fire extinguishers are located throughout each level of the facility. In the event of a fire, activate a manual pull alarm station. The alarm monitoring company advises the Calgary Fire Department as well as WinSport Dispatch. If there is no pull station present or a fire is noticed from outside, call 911, then notify WinSport Dispatch at 403.247.5454 or via the blue emergency call boxes, if safe to do so. Evacuate the area immediately.

MEDICAL EMERGENCY

In case of a medical emergency, inform WinSport dispatch at 403.247.5454 or via the blue emergency call boxes. If there is an immediately life threatening condition call 911. WinSport covers the grounds during operational hours with a team of trained emergency medical staff and is equipped to handle the majority of incidents requiring immediate care. Automated external defibrillators are located on all three levels of the Markin MacPhail Centre.

EMERGENCY EVACUATION

In the event of an emergency evacuation for any reason the fire alarm will sound and a message will be voiced over the building intercom. Everyone is to evacuate the building and proceed to the nearest muster points, located on the NE and SW corners of the facility. WinSport emergency personnel will be at the muster points to give further information and facilitate a full park-wide evacuation as required.

When placing an emergency call, provide the **911** operator with the following information:

1. Nature of the emergency
2. Call back number
3. Location of the emergency
